

CONTACT GOLD RAISES \$1,000,000 IN UPSIZED PRIVATE PLACEMENT FINANCING

Vancouver, B.C. (February 24, 2023) – Contact Gold Corp. (the "Company" or "Contact Gold") (TSXV: C; OTCQB: CGOLF) is pleased to announce that it has completed a non-brokered private placement of \$1 million (the "Offering"), comprising 50,000,000 units ("Units") at a price of \$0.02 per Unit (the "Offering Price").

The net proceeds of the Offering are expected to be used to undertake continued exploration at Contact Gold's Pony Creek gold project, located in Nevada, and for general working capital purposes.

Each Unit consists of one common share ("Common Share") and one Common Share purchase warrant (each whole warrant, a "Warrant"), with each Warrant entitling the holder to purchase an additional Common Share at a price of \$0.05 per share for a period of 36 months from the closing date. See the Company's press releases dated [January 31, 2023](#) and [February 9, 2023](#) for further details about the Offering. The Common Shares issued pursuant to this Offering will be subject to a hold period expiring June 24, 2023.

Certain insiders of the Company, including President & CEO Matt Lennox-King, Chairman John Dorward, and CFO John Wenger participated in the Offering by purchasing an aggregate of 14,000,000 Units. The portion of such participation by the insiders constitutes a "related party transaction" within the meaning of TSXV Policy 5.9 and Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). The Company intends to rely on exemptions from the formal valuation and minority approval requirements of MI 61-101 as neither the fair market value of the subject matter of, nor the fair market value of the consideration for, the transaction, insofar as it involves related parties, exceeded 25% of the Company's market capitalization.

Aggregate finder fees paid in cash in connection with the Offering totaled \$42,300, and a total of 2,115,000 broker warrants ("Broker Warrants") were issued on gross proceeds raised by eligible arm's length parties. Each Broker Warrant is exercisable to acquire one Unit of the Company at a price of \$0.05 per Unit, for a period of 12 months following the closing of the Offering.

The Offering remains subject to the final approval of the TSXV.

The offered securities have not been, nor will they be, registered under the United States Securities Act of 1933, as amended (the "Securities Act") or any state securities laws, and may not be offered or sold to, or for the account or benefit of, any person in the United States or any "U.S person", as such term is defined in Regulation S under the Securities Act, absent registration or an applicable exemption from registration requirements. Offers and sales in the United States will be limited to institutional accredited investor. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful.

About Contact Gold Corp.

Contact Gold is an exploration company focused on making district-scale gold discoveries in Nevada. Contact Gold's extensive land holdings are on the prolific Carlin and Cortez gold trends which host numerous gold deposits and mines. Contact Gold's land position comprises approximately 144 km² of target rich mineral tenure hosting numerous known gold occurrences, ranging from early- to advanced-exploration and current gold resources.

The Company's Pony Creek project is located on the southern Carlin Trend and ties on to the southern boundary of Orla Mining's feasibility-stage South Railroad gold project. Exploration at the Company's Green Springs project is being funded through a partnership with Centerra Gold Inc. pursuant to an earn-in arrangement.

Cautionary Note Regarding Forward-Looking Information

This news release contains "forward-looking information" and "forward-looking statements" (collectively, "forward-looking statements") within the meaning of the applicable Canadian securities legislation. All statements, other than statements of historical fact, are forward-looking statements and are based on expectations, estimates and projections as at the date of this news release. Any statement that involves discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions, future events or performance (often but not always using phrases such as "expects", or "does not expect", "is expected", "anticipates" or "does not anticipate", "plans", "budget", "scheduled", "forecasts", "estimates", "believes" or "intends" or variations of such words and phrases or stating that certain actions, events or results "may" or "could", "would", "might" or "will" be taken to occur or be achieved) are not statements of historical fact and may be forward-looking statements. In this news release, forward-looking statements relate, among other things, to the anticipated exploration activities of the Company at the Green Springs and Pony Creek properties, receipt of regulatory approvals, including that of the TSXV in connection with closing of the Offering, or the completion of the earn-in by Centerra at Green Springs.

These forward-looking statements are based on reasonable assumptions and estimates of management of the Company at the time such statements were made. Actual future results may differ materially as forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to materially differ from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors, among other things, include: fluctuations in general macroeconomic conditions; fluctuations in securities markets; fluctuations in spot and forward prices of gold, silver, base metals or certain other commodities; fluctuations in currency markets (such as the Canadian dollar to United States dollar exchange rate); change in national and local government, legislation, taxation, controls, regulations and political or economic developments (including those arising from, or in response to, the Covid-19 coronavirus outbreak); risks and hazards associated with the business of mineral exploration, development and mining (including environmental hazards, industrial accidents, unusual or unexpected formations pressures, cave-ins and flooding); inability to obtain adequate insurance to cover risks and hazards; the presence of laws and regulations that may impose restrictions on mining; employee relations; relationships with and claims by local communities and indigenous populations; availability of increasing costs associated with mining inputs and labour; the speculative nature of mineral exploration and development (including the risks of obtaining necessary licenses, permits and approvals from government authorities); and title to properties. Although the forward-looking statements contained in this news release are based upon what management of the Company believes, or believed at the time, to be reasonable assumptions, the Company cannot assure shareholders that actual results will be consistent with such forward-looking statements, as there may be other factors that cause results not to be as anticipated, estimated or intended. Readers should not place undue reliance on the forward-looking statements and information contained in this news release. The Company assumes no obligation to update the forward-looking statements of beliefs, opinions, projections, or other factors, should they change, except as required by law.
